

**A Time to Remember Those who have Died
And Those who served our Country.**

God of Abraham and of Moses, Lord of the living, who gave Jesus the fullness of eternal life, hear our prayer as we come to remember our loved ones who have died, and pray for all who serve our country so we might live in freedom and peace.

With reverence, we visit this sacred cemetery where many family and friends have been placed within the womb of the earth to await the final day of glory. We pray for all those who have died, we rejoice because their names have been written for all in the palm of your divine hand.

May this prayer remind us of what we already know: that nothing dies: rather, life is only transformed into new life. Holy are these graves, Holy this earth that has held in gentle embrace the bodies of all who are buried in this cemetery.

Gracious Lord, we lift up into your divine heart all who have died, and all who gave their lives in service of this country, we pray that you will grant them eternal peace and the perpetual company of your saints, forever and ever. Amen
