Grand Knight's Message

Dear Brother Knights,

Thanks to all members who helped at our fish fry. Thank you to all the ladies who showed up also, from peeling potatoes to the last minute words of support. We couldn't do this without everyone. Join us at the March meeting for our fish fry report.

On March 10th and 11th, we will be having a recruitment drive at our weekend masses. Father Mike has been busy getting a video lined up for us to use. It better shows who we are as knights and what we do. We will need members to help out at this event.

We will have a first degree on March 20th at 7:00 p.m. to initiate our newly recruited candidates. Now is the time to start asking men to join us. I have a list of possible candidates if someone would like to help with this. Our meeting will follow the first degree. Please let me know of candidates who will be attending, so we can plan accordingly. A special bonus that night will be turtle soup after our meeting. What a great incentive for a new candidate to join.

Our prolife breakfast will be held on March 25th in the church basement. Please attend this event, whether it's to help out or to enjoy a great breakfast. All donations benefit Birthright Pregnancy Center.

Our annual awards banquet will be April 13th at the Silver Lake Legion. Social hour starts at 6:00 p.m., with the program beginning at 7:00 p.m. We will be having a chicken and ham meal for this event. There will be no charge for the meal, but I need a final count by April 2nd, so the caterer can prepare accordingly. The council will be serving coffee, water, and cake at this event, so let me know if you can help out.

Our trustees are looking for members to be our new officers. The election will be held soon, and we will need new officers. Please consider doing your part, even if you were an officer a while ago, what better way to help your council than by being an officer again.

Grand Knight Chad Bandas

Plan for This Tax Day and Into the Future

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax-savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And, our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive — guaranteed — sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can — properly structured — guarantee you an income at retirement that you cannot outlive. That guarantee — along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember — absolute safety of principal) — really will provide you with peace of mind.

I am happy to meet with you — at your convenience and in your home — to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.

WANTED: OFFICERS
For Upcoming Fraternal Year

If interested, contact our Trustees
(Paul Davis, Joe Ebert, or Ron Shimanski)
OR COME TO THE NEXT MEETING.

Officers are not expected to chair the Fish
Fry; there is a separate committee for that.

The Grand Knight needs to run meetings
and write a message for the newsletter. He
does NOT have to compile or mail news-
letters. Committee Chairmen run different
projects, consulting with the Grand
Knight.
