Grand Knight's Message

Dear Brother Knights,

I invite all members, wives, and widows to our February meeting and ladies night. We will be having turtle soup after our meeting this night. Thanks to our cooks for preparing the soup and all those who donated ingredients.

Get our latest information for our upcoming fish fry. Our fish fry committee has been ordering supplies and fine tuning last minute details. There will be a couple of small changes to the fish fry. Please come to the meeting to get the latest. **NOTE the 6 p.m. Set Up time & Changes to the Fish Fry Workers List.**

Also, at the February meeting we will be selecting delegates to send to the state convention. We will be collecting tabs at this meeting to see what our council has collected so far. My family has collected 3 more while making supper tonight.

I have contacted caterers for meal options for our annual awards banquet, which is April 13th. Hopefully, we will finalize that at the meeting, also.

Our trustees are seeking members willing to be our council officers for the upcoming year. What have you done for our council lately?

We will be having a recruitment drive in March. I am waiting for approval of the date as I write this. I have received a video from State which we will use for this event. If you have more recruitment ideas, please contact me. We will be holding a first degree on March 20th before our meeting. Unfortunately, we have been losing members; now is the time to start adding new members so our good work can continue.

Grand Knight Chad Bandas (320) 282-0488

WANTED: OFFICERS For Upcoming Fraternal Year

If interested, contact our Trustees (Paul Davis, Joe Ebert, or Ron Shimanski) OR COME TO THE NEXT MEETING.

Officers are not expected to chair the Fish Fry; there is a separate committee for that. The Grand Knight needs to run meetings and write a message for the newsletter. He does NOT have to compile or mail newsletters. Committee Chairmen run different projects, consulting with the Grand Knight.

Think You Are Too Old for Coverage? Maybe Not

You are never too young or too old to consider purchasing life insurance. If you have a financial need for coverage, or will in the future, a permanent life insurance policy can be just the thing you need.

When you are young and presumably healthy, coverage will be very inexpensive when compared to purchasing the same policies when you are older.

If you've put off purchasing coverage, or you realize that you may need additional insurance, the Order may still be able to help you, even if other companies cannot. In fact, in 2012, the issue age of our permanent life insurance products was extended to age 80, and in 2014, the issue age of our term insurance was extended to age 70. Naturally, your health, and whether or not you smoke, will be taken into consideration, so underwriting standards for risk and age apply. But, the extensions are a great blessing for me – and it could be for you too. Now I can help members that I couldn't help before. Are you or one of your brother knights one of those members?

Whether you're 18 or 80, the Knights of Columbus has products that will work for you and your family. I look forward to discussing coverage with you.
